

Kanwar Textilegroup AB

Management system for Social Accountability

Name: Policy Published by: M.K.
Issued 2021-01-04

Kanwar Textilegroup AB is committed to work to create a good life and existence for its employees and partners. This will be fulfilled by following the requirements from customers and the requirements of SA 8000:2008. ISO 9001:2015, ISO 14001:2015. The organization is continuously and systematic ensuring that national and international laws and followed.

- By continually visiting, reviewing and evaluating their primary suppliers the organization is ensuring the continuous improvement of the system and the life and existence for employees and partners.
- No employee or partner within Kanwar Textilegroup or our subcontractors is allowed to be discriminated due to ethnic group, nationality, religion, gender, age, political affiliation or membership in trade union or other organization.
- The goal of Kanwar Textilegroup is to support their subcontractors in a way that allows good opportunities for the stakeholders of the organization. An important activity to support this goal is to publish this policy and keeping it available for all employees and partners.

Due to our active work as above, Kanwar Textilegroup contributes to a sustainable, good and healthy life and existence for our employees and partners.
